Re: CIA - RFP - 7976

Dear Congressman Howard:

I have enclosed a copy of the above request for proposal dated August 23, 1979 together with pursuant correspondence from this office.

Our price was \$39,489.00. We were told that Remco bid \$55,400.00 plus \$1,895.00 for relocation work. Elecompack is a trade name for a product made in Japan. The \$1,895.00 relocation price was for moving equipment sold by Remco.

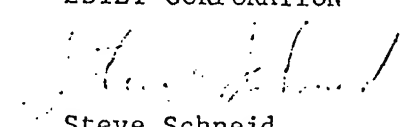

My letter dated September 27, 1979 has all the pertinent data. Why haven't they answered my letter or Mr. Trelease's letter dated October 5, 1979?

Anything you can do to assure fair treatment will be appreciated.

Many thanks.

Sincerely yours,

ESTEY CORPORATION

Steve Schneid
